THE GARDENER S CALENDAR SUGGESTIONS AND REMINDERS OF WORK APPROPRIATE TO EACH MONTH JANUARY There will not be much doing in strictly gardening operations this month, but one can be getting ready for the actual work of spring. Material for hot-beds and cold-frames can be got ready now. Everything can be done except putting them together. It is an excellent plan to paint them outside and in. If this is done, they will last for years, if it is not done, they will soon begin to decay from the effect of heat and moisture. I would advise putting the frames together with screws. This will admit of your taking them apart easily, after their use for the season is over, without breaking or otherwise injuring them, and they can be piled away in small space until wanted again. If not taken apart, they will be quite sure to be broken, as, from their bulkiness, they will always be in the way no matter where you put them. You can save something by buying your sash unglazed and putting in the glass at home. For this purpose use the prepared putty sold under the name of Mastica. It is soft and easily applied, but soon hardens, and will last much longer than ordinary putty, which is generally adulterated with whiting. Paint the sash well before glazing. If you do not, the putty will not adhere to it. It will be found wise economy to...
