Nor must such a medley appear incongruous to the modern reader. At a time when the library of the University of Oxford is said to have contained no more than two or three hundred chained books, a folio volume which could afford amusement in hall, instruction at other times, religious information and perhaps consolation to the sick, and with all be produced as a medical authority for nearly every ill that flesh is heir to, was not to be despised by a family resident in a remote part of the country, where, in all probability, literary luxuries were not readily accessible. It must not, however, be supposed that Robert Thornton was the author of...
