Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 165 x 137 mm. Language: English . Brand New. Since he first appeared on the literary scene in *True Detective*, hardboiled Chicago PI Nathan Heller has tackled some of the toughest cases the Windy City has to offer. Now the gumshoe returns in *Triple Play: A Nathan Heller Casebook*, a gripping collection based on real cases of the 1940s, 50s, and 60s. In *Dying in the Post-War World*, Heller returns from combat to find his marriage a shambles and himself square in the middle of the notorious Lipstick Killer case of 1946. *Kisses of Death* follows the PI into the 1950s, when he is hired to guard Marilyn Monroe. The famous starlets intellectual pursuits eventually lead to Greenwich Village and the grisly murder of an early beatnik. And in *Strike Zone*, Heller is hired by baseball boss Bill Veeck to investigate the 1961 murder of a famous pinch hitter whose private life will pull Nate into a dangerous new world of little people and big sins. Hellers trademark cynicism and knack for keen social observation are on full display in this trio of short novels, offering a gritty insiders look at some of the twentieth centurys most shocking crimes.
