This book is going to tell you all about how to take care of your feet, common problems, and feet care. Did you know that your feet are the key to the rest of your body? Unfortunately, we have a tendency of neglecting our feet, although we may spend thousands in beautifying the rest of our body. However, the poor feet are just given a cursory pedicure and massage. And that is that, we are done with them. The ancient Egyptians, Chinese and Indians observed that the tension in any part of the foot would be capable of mirroring tension in a corresponding part of the body.
