((.) N. B. (iii.). --School before breakfast. On this point there seems little to be said. That the recommendation is not universally adopted is, I think, chiefly due to the difficulty which we all experience in finding time for all the work which has to be got through. (h.) Organised games. --This will be touched on later in this article, and is fully dealt with in another article in this volume. (c.) Periods of leisure. --I am happy to find, in answer to a query on this point, that the general opinion is in accordance with this recommendation. In my own experience as an assistant master I have...
