Brand New Book ***** Print on Demand *****.Public Administration and Law has been edited for use as a supplement for an undergraduate or MPA level course on administrative law. The selections, all from the pages of Public Administration Review, have been chosen to enlighten and enliven the contents of any standard administrative law textbook. Each of the book's main sections begins with introductory text and discussion questions by the volume editors, Julia Beckett and Heidi Koenig, followed by relevant readings from PAR. The book's contents follow the standard pattern established by the field's major textbooks to facilitate the instructor's ability to assign readings that illuminate lectures and text material. The book concludes with two invaluable resources - a bibliography of 65 years of PAR articles concerning public law, plus a bibliography of law-related articles appearing in other journals published by ASPA.
