BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. CIA officer Mara Duncan is on assignment in bomb-torn Hanoi. Her task: get scientist Josh MacArthur and a seven-year-old witness to Chinese atrocities in Vietnam out of the country safely. They are pursued by a relentless Chinese monk turned commando who can call on the entire Chinese secret service in Vietnam for help. Their escape is further complicated when SEALs, who are helping Mara, gun down Vietnamese soldiers, making them wanted by both China and Vietnam. Meanwhile, U.S. Army Advisor Zeus Murphy is given an impossible task: prevent the Chinese from landing on Vietnam's coast. Heeding the President's advice to think outside the box, he concocts a daring mission into the heart of the Chinese fleet in the harbor at Hainan. This operation will go down in the annals of SpecWar history as either one of the most daring triumphs of all time or one of the most foolish suicide raids ever attempted. Or maybe both.
