Are you scoring a winning goal or spending a holiday with your family? Are you falling in love all over again or landing an ideal job? Whatever the memory, the song s lyrics and rhythm likely make it sweeter and clearer. In Messages in the Music, Tommy Spero explores the powerful emotions and lessons hidden in the songs we know and love. Insightful and accessible, Messages in the Music beckons us to pursue our passions and transform our lives. What can We Will Rock You tell us about developing the confidence to start and complete a project? Can Tina Turner teach us to channel inspiration into our work and relationships? Spero shows us that with a new set of eyes-and ears-that yes, she can. Classic Modern hits form a narrative of self-expression and awareness in Messages in the Music. With wit and creativity, Spero explores how music helps us to accept change, embrace personal strength, and find purpose-all with authenticity, integrity, and gratitude.
