Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 254 x 203 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.On some days, seven-year old Julie feels like she's living in a Fun House. Hers is a topsy-turvy world where the toaster sprouts a toothbrush, and a watermelon gets dressed up in pink underpants for Fourth of July! But on other days, Julie struggles with understanding why her Halloween trick-or-treating got cancelled, or why Grandma can't remember her name. Julie is struggling with understanding her grandmother's Alzheimer's disease. Authors Max Wallack and Carolyn Given believe that no child is too young to learn about this disease, or how to participate in providing safe care for their loved one. Why Did Grandma Put Her Underwear in the Refrigerator? is a sensitive, light-hearted children's story that seamlessly provides its young readers with a toolbox to help them overcome their fears and frustrations. It shares easy-to-understand explanations of what happens inside the brains of Alzheimer's patients, how to cope with gradual memory loss, with a missed holiday, or even a missing Grandma! This 40-page fully illustrated children's book is told from a second-grader's perspective in her own style and vocabulary, but it lovingly shares real strategies, scientific insights and lessons of dignity from which adult caregivers may also benefit. Max Wallack has received numerous national awards for his work on behalf of Alzheimer's patients. These include the Nestle Very Best in Youth Award, the Citizen's Bank TruFit Good Citizen Scholarship, the Diller Teen Tikkun Olam Award, the Jefferson Award for Public Service, the Daughters of the American Revolution Community Service Award, and the President's Call to Service Medal. He has published in respected journals in the field of...
