Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, All Things Weird and Wonderful, Stewart Henderson, Nigel Baines, Another collection of quirky, thought-provoking and highly entertaining poems from a performance poet with an increasing fan base. In this collection Stewart Henderson takes a sideways look at creation - from the depths of the sea, to the breadth of the earth, and the realms of space and sky - and featuring many aspects of the animal world. The poems are often shown from the perspective of a child (answering curious questions, or helping children to understand more about their place in the universe). Poems include short humorous verses, longer narrative poems and the poet's inimitable 'wry thoughts'.
