Biblioscholar Nov 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x4 mm. This item is printed on demand - Print on Demand Neuware - This study assesses the prospect of improving military cooperation with the French through an examination of why French cooperation is desirable, how the French view the United States and the historical basis on which those views are founded, and the manner in which four additional factors complicate the security relationship. The assessment of France in terms of military, economic, and political strength reveals a French capacity to disrupt American defense policy and, therefore, underscores the desirability of French military cooperation. The negative component of ambivalent French views of the United States appears to be based upon historical events in which American action abroad has impressed the French as inadequately deferent, obstructive of their aspirations to reclaim their prestige after World War II, and unilateral. 66 pp. Englisch.
