Brand New Book ***** Print on Demand *****.When Little Mary (or any other little girl or boy) knows all the letters perfectly, let the teacher turn over a page and pronounce one of the mono-syllables. Do not say a, m, am-but say am at once, and point to the word. When the child knows that word, then point to the next, and say as, and be sure to follow the same plan throughout the book. Spelling lessons may be taught at a more advanced age; but it will be found that a young child will learn to read much more quickly if they be dispensed with in the Primer.
