Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

HAL LEONARD RECORDING METHOD GETTING STARTED MUSIC PRODUCTION BOOK/AUDIO

Hal Leonard Corporation. Mixed media product. Book Condition: new. BRAND NEW, Hal Leonard Recording Method Getting Started Music Production Book/Audio, Robert Willey, Getting Started with Music Production is for anyone interested in developing a more efficient and creative approach to music production, and it's structured so thoughtfully that it can be used as a textbook for a modular, activity-oriented course presented in any learning environment. As an added bonus, the text and accompanying examples are built around the free version of Studio One from PreSonus, so no matter what their musical or technical experience level, students don't need to purchase expensive recording software to benefit from the presented material. The fundamental concepts and techniques delivered in this book apply seamlessly to any modern DAW. The author includes several supporting video tutorials that help further explain and expand on the instruction in the text. All supporting media is provided exclusively online, so whether you're using a desktop computer or a mobile device, you'll have easy access to all of the supporting content.
