Visit us online at www.1stWorldLibrary.ORG - It will be very reasonably asked why I should consent, though upon a sort of challenge, to write even a popular essay in English history, who make no pretence to particular scholarship and am merely a member of the public. The answer is that I know just enough to know one thing: that a history from the standpoint of a member of the public has not been written. What we call the popular histories should rather be called the anti-popular histories. They are all, nearly without exception, written against the people; and in them the populace is either ignored or elaborately proved to have been wrong. It is true that Green called his book *A Short History of the English People*; but he seems to have thought it too short for the people to be properly mentioned. For instance, he calls one very large part of his story *Puritan England*. But England never was Puritan. It would have...
